

In 2018 we are launching our new Hirwaun and Penderyn in Bloom Competition. Hirwaun & Penderyn Community Council aims to encourage local residents to make use of and enhance their gardening skills to help the environment and improve the appearance of our area.

Categories for each village will include:

- Best front garden (must be clearly visible from the roadside)
- Best hanging baskets (must be clearly visible from the roadside)
- Best Allotment plot

Cash prizes will be awarded for the winning entries.

More information and entry forms to follow in the New Year.
